Responded that their favourite part of the service was:

Comments about the service

The team are warm and treat our daughter like their own. Love the nature program!

Would be great to see some behaviour or meditation workshops in the service!

The service has helped my daughter develop skills for school.

My son's speech ability has significantly improved after attending the service.

My son's interaction with others is much more positive after attending.

I have enjoyed the opportunity to be involved in such an inviting community.

Allowed me to meet other families in our community.
