Fit and Proper Person Declaration

In addition to the above evidence and in accordance with the Standards for RTO's, meeting the FPPR is a requirement for registration with the [Training Accreditation Council \(TAC\)](#) of Western Australia.

MTC must make a 'Fit and Proper Person Declaration' when the organisation:

- Applies for initial registration; or
- Applies for renewal of registration; or
- Employs a new executive officer/s, legally responsible officer, high managerial agent/s, owner/s or person/s of control or influence.

When assessing whether the organisation and key personnel meet the FPPR, TAC may:

- Conduct inquiries into any statement made in this Declaration; and
- Conduct enquiries into any other matter it considers appropriate in relation to the fitness and propriety of the organisation and relevant individuals associated with the organisation.

If TAC is not satisfied that an organisation or relevant person associated with it meets the FPPR, TAC may:

- suspend or cancel the organisation's RTO registration; or
- refuse to register an organisation's initial registration application.

Should the Council find that the organisations or relevant persons do not meet the FPPR requirements, the organisations or relevant persons will be notified of the Council's findings and proposed actions and be provided with an opportunity to submit a response.
